

B-READY LEVEL 2

Get Sale Ready Before You Find a Buyer

One of the biggest causes of delay in residential property transactions is waiting for legal paperwork to be prepared after an offer has been accepted.

Our B-Ready Packages are designed to get your sale legally prepared in advance, helping to reduce avoidable delays, minimise stress and put you in the best possible position when a buyer is found.

By completing key legal work early, we can issue the contract pack immediately once a sale is agreed, helping your transaction move forward faster.

- ✓ Obtain and review the initial property documentation, including TA6, TA10 and TA7 forms where applicable

- ✓ Issue the contract pack immediately once a buyer is found
